ALCID Memorandum 022-04  
1 November 2004  
CIOP-COP-PO

MEMORANDUM FOR DISTRIBUTION

SUBJECT: ALCID Memorandum 022-04, CID Regulation, 385-1, USACIDC Safety Program, 1 July 2002

1. Reference: CID Regulation 385-1, USACIDC Safety Program, 1 July 2002.
2. The purpose of this ALCID is to reduce hazards to CID personnel while operating governmental vehicles, including General Services Administration (GSA) rental, and Army Motor Vehicles (AMV).
3. Effective immediately, chapter 3, paragraph 3.2, is modified as follows:

3.2 Responsibilities

Commanders and special agents-in-charge at all levels will ensure that:

a. THRU c. (No Change)

d. **(Add)** While operating a GSA, AMV or rental vehicle under governmental contract, the driver is not permitted to use cellular phones (with or without "hands-free attachments) or other electronic messaging devices (i.e., Blackberry, Personal Digital Assistant (PDA)) until the moving vehicle has safely exited travel lanes and is completely halted. The exception to this restriction is emergency situations. USACIDC personnel will continue to observe localized laws and ordinances where more restrictive.

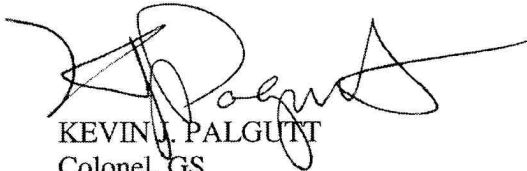

4. This change will be updated during the next electronic revision of CIDR 385-1
